Request made under the Local Government Official Information and Meetings Act.

Thank you for your social media post of 27 November 2023 requesting the following information on the Taranaki Pump Station and Rising Main projects under the Local Government Official Information and Meetings Act 1987 (the Act):

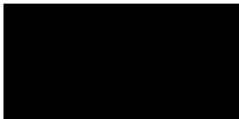

1. *What was the original project budget and*
2. *what is it going to end up?*

I am advised that in 2021 the Taranaki Pump Station and Rising Main projects had a budget of \$24M. The total current approved budget for the Taranaki Pump Station and Rising Main projects is now \$31M.

Please note that the Taranaki Street Pump Station is near complete (March 2024) and works are already underway on the Taranaki Street Rising Main (expected completion is June 2025).
