**Official information request for information on Nottingham Street Sewer Main Replacement.**

Thank you for your official information request dated Saturday 19 November 2023. You requested information on the timing for any programmed renewal of the above asset.

We have considered your request in accordance with the Local Government Official Information and Meetings Act 1987 (the Act) and determined that we cannot provide part of the information you are requesting.

Wellington Water has not carried out a project evaluation and at present, the main is not programmed for renewal. Therefore, we are declining this part of your request in accordance with [Section 17\(e\)](#) of the Act.

In March, teams undertook CCTV inspection of the pipe which indicated operational issues requiring resolution – including other sections of the pipe which had been obstructed by tree roots. In assessing the risk, it has been deemed moderate.

The next step will be to determine the appropriate solution, which could include further spot repairs as were conducted previously. We are currently awaiting a proposal from one of our contractors and until we receive confirmation from them, we are unable to progress any further.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or freephone 0800 802 602.

Ngā mihi,

[REDACTED]
