

03 November 2023

Agra Crescent watermain renewal

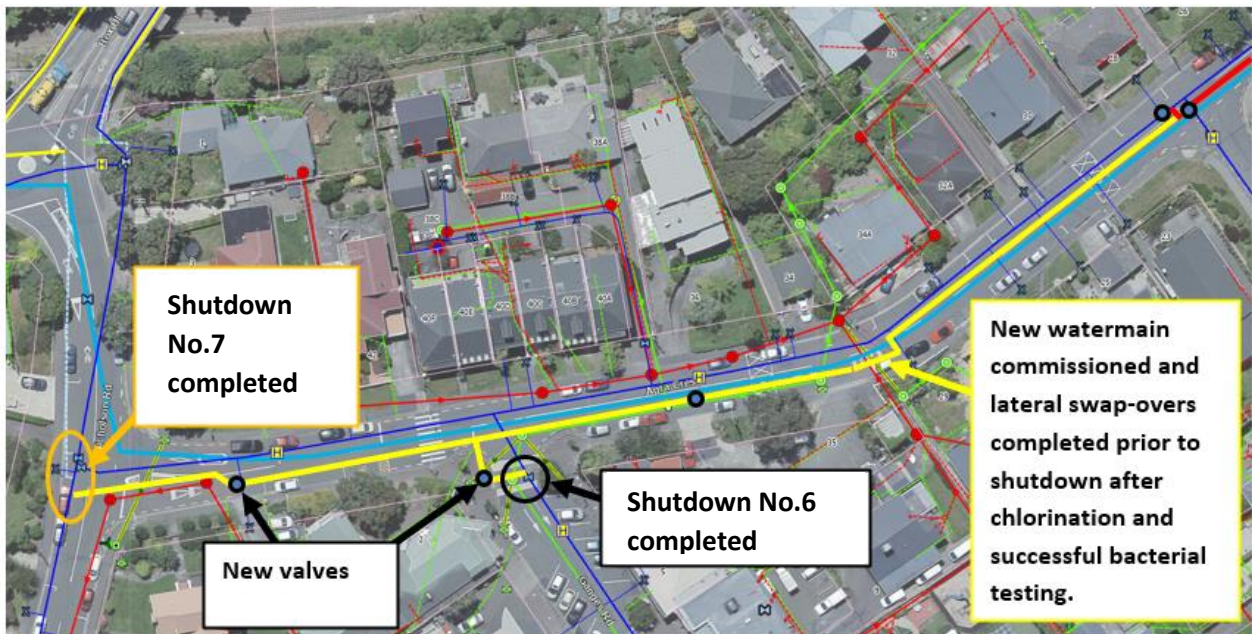

Tēnā koe,

Over the past few days, we have been working on Stage 3, including, pressure testing, chlorination, and commissioning of Stage 3. We've also completed Shutdown No. 6 and No. 7 to make the final connections. This means that all the pipework for the project has been completed and is now live!

Over the next week, you will see the following happening:

Stage 3 between No.26 Agra Crescent to Nicholson Road:

- Backfilling trenches.
- Final paving reinstatement at the Ganges Road intersection.
- Final asphalt reinstatement in the carrigeway, footpaths and driveways.
- Final grass reinstatement in the berms.

Traffic management overview:

As per previous notifications, we are currently working within the Road Closure between No. 28 and No. 38 Agra Crescent. As you might have noticed, the majority of the work within this road closure has been completed; however, we still need the road closure to remain in place until we reinstate carriageway for the safety of our staff and public.

Next week, we will continue to have traffic management in place on Agra Crescent between Ganges Road and Nicholson Road, as well as on Ganges Road. Please communicate with our traffic controllers throughout the day as we are committed to managing this as best as possible. We acknowledge this ongoing closure is disruptive and appreciate everyone's patience. We're almost there! Our priority is always to look after the health and safety of our crew and that of the public. We are working in a busy area and to maintain resident access, we do need diversions so we can ensure those in the immediate area can go about their business safely during the day.

Please see below indicative guides of what this traffic management may look like.

If you have any questions, please contact me at any time.

Thomas Innes, CCL Project Manager, E. thomas@ccl.co.nz P. 022 419 1082

After hours, please call the Wellington City Council Call Centre on 04 499 4444.

For more information on the project visit www.wellingtonwater.co.nz/projects/agra-crescent-renewal/

If you have a complaint, please call 04 912 4470 or email customer@wellingtonwater.co.nz to access our free complaints process. If we cannot resolve your complaint, you can contact Utilities Disputes on 0800 22 33 40 or go to www.utilitiesdisputes.co.nz. Utilities Disputes is a free and independent service for resolving complaints about utilities providers. Thank you for your patience as we work to improve the city's infrastructure.

Ngā mihi,

Thomas Innes
CCL Project Manager
