**Official information request for reports prepared by Deloitte regarding maintenance and updates to public sector agencies on fluoride.**

I write regarding your official information request dated Tuesday, 29<sup>th</sup> March 2022. You requested the following information:

1. Any report prepared by consultants Deloitte and provided to WW since mid-2021 till now, into maintenance
2. Please also advise which, if any, public sector agencies have been or are being given updates or briefings by WW or its agents, about the fluoridation problems widely reported on currently

On Friday, 29 April 2022 Wellington Water provided a response to your second question.

Wellington Water have endeavoured to source any report prepared by consultants Deloitte since mid-2021 till the date in which you made this request and we have come to the strong conclusion that there were no reports prepared by Deloitte into maintenance.

For further reference, the independent inquiry into the cessation of fluoride is available on our website, and you can find that report here:

<https://www.wellingtonwater.co.nz/your-water/drinking-water/fluoride-inquiry>

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or freephone 0800 802 602.

Ngā mihi
